

Dear Esteemed Professional,

INVITATION TO THE 2026 IIA NIGERIA CONFERENCE

The Institute of Internal Auditors Nigeria (IIA Nigeria), established in 2002 as an affiliate of The Institute of Internal Auditors Global, is the recognized voice and leading professional body for internal auditors in Nigeria. Since attaining full institute status in 2013, we have remained committed to advancing excellence in internal auditing, governance, risk management, and internal control through professional development, advocacy, thought leadership, and the promotion of globally recognized standards and best practices.

In line with this commitment to strengthening the internal audit profession and equipping professionals to address today's rapidly evolving business landscape, we are delighted to invite you to participate in the 2026 IIA Nigeria Conference.

The conference will hold from Wednesday, 23 September to Friday, 25 September 2026 at The Grandeur Events Centre, Ikeja, Lagos, Nigeria, with virtual participation available for delegates joining from across Nigeria and beyond.

The theme of this year's conference, "**Future-Proofing Assurance: Confronting Cybersecurity Threats, AI Complexity, and Global Volatility**," reflects the rapidly evolving landscape facing organisations today. As technological disruption accelerates, cyber threats become more sophisticated, and global uncertainties continue to reshape the business environment, assurance professionals must be equipped with the knowledge, tools, and insights required to provide strategic value and strengthen organisational resilience.

The conference will bring together leading internal auditors, board members, audit committee members, governance professionals, risk practitioners, regulators, business leaders, and subject matter experts for three days of thought leadership, practical learning, meaningful engagement, and professional networking.

Why Attend?

- **Insight That Inspires:** Gain valuable perspectives on emerging risks, cybersecurity governance, artificial intelligence, regulatory developments, and the future of assurance.
- **Networking That Connects:** Engage with senior executives, industry leaders, regulators, and professionals from diverse sectors of the economy.
- **Experience That Transforms:** Participate in interactive sessions designed to enhance professional effectiveness and strengthen governance, risk management, and control processes.
- **Future-Ready Knowledge:** Discover practical strategies, innovative approaches, and leading practices that can help organisations navigate uncertainty and build sustainable resilience.

- **Earn 12 CPE Hours:** Participants will earn 12 Continuing Professional Education (CPE) hours through attendance and participation in conference sessions, supporting their ongoing professional development and certification requirements.
